BRENTOR SUMMER FAYRE... which was held on Saturday 27th June was a great success. This was due to all those who helped and baked and gardened for it and those who came to support it. Brentor Community Centre raised over £80 with this event which will go to the Village Hall Building Fund.

The mysterious Madame Zali was one of the main attractions and seemed to know a great deal about all of us! Lets hope all the good predictions come true.

Circles, the Clown Show were really professional and the many who went were thoroughly entertained, and particularly impressed by the fire eating and cutting Plum in half! It is so refreshing to have traditional live entertainment on our doorstep and we are grateful to South West Arts for financially supporting this part of the Fayre.

Special thanks to Rob for cutting the grass outside the Village Hall and providing a safe place for the children to play.

W.I. News . At their June meeting the W.I. was pleased to welcome members from Mary Tavy, Miss Cole and Mrs Perkins, who gave a very enjoyable demonstration of flower arranging. Six different arrangements were demonstrated ranging from, a conventional table centre to a water garden and a most attractive all green arrangement. A vote of thanks was proposed by Mrs Blowey.

The competition - Man Made Fibres - was won by Mrs Pritchard second Mrs Davey, third Miss Dunn. Flower of the month was won jointly by Mrs Hallam and Mrs Pritchard. Tea hostesses were Mrs Blowey and Mrs Purvis.

HELP! HELP!HELP!..... Brentor Playing Fields Committee.

Help is needed to rub down and paint the swings and slide in the playing field. They are well overdue for attention with no one officially to do them.

The more people that could volunteer a few hours of their time the little time it would take to complete the task. If you think you could help please let either Dennis Young (Mary Tavy 620) or Gill Gorbütt (Mary Tavy 403) know.

BRENTOR COMMUNITY CENTRE AGM will take place on Thursday 9th July 1981 at 8pm in the Church Hall. All members please make an effort to attend to elect Officers etc.

BRENTOR CRICKET CLUB NEWS...

Having had an enjoyable and moderately successful 1980 season (3rd position in the Launceston and District Saturday League), hopes were high for this year. Unfortunately, the death of organiser-in-chief, Laurence Lefevre, and the abysmal early season weather have frustrated everyone. Laurence's duties as chairman have been assumed by Tom Hardman, and the thankless job of getting 11 men (fit or unfit!) for each match has fallen on Les Doidge.

Skipper for the season is Steve Cryer, with Barry Doidge his vice-captain. However, all the early season games were cancelled, and it was a relief to get going eventually. As usual, Nick Tucker is keeping the outfield looking marvellous (quite the best in the League!) and Les and Nigel Doidge have unselfishly put in many hours rolling, spiking, raking and cutting the pitches. Visitors to the playing field will surely have remarked how well it looks, and also noticed the club's new acquisition - a gigantic diesel roller.

The club entered the new West Devon District Cup competition, but fell to Whitchurch Wayfarers in the second round - the first defeat of the season. However, at the time of writing hopes are still alive for the League Cup, and with four wins out of four games played in the League, the village is sitting proudly at the top of the table.

CHURCH NEWS

The St Michael's services on Sunday evenings have been quite well attended since they started again in May and there have been a number of visitors attending, as well as the local stalwarts who have been regularly climbing the Tor - some of them not all that young in body though obviously youthful in spirit!

We are grateful to all those who have volunteered to help with the various weekly duties up at St Michael's during the summer months. It makes the work less demanding when it can be shared amongst a number of willing folk. Extra volunteers are always welcome, particularly to assist Mis Betty Gilbert and her team with the flower arrangements and the cleaning of the church.

We have been missing Mr Noel Blanchford, who has quietly done so many of the odd jobs in the past, but it is good to know that he and Mrs Evelyn Blanchford are enjoying a well earned break.

We were pleased to welcome back Diana and Robert Ormsby from their recent travels to Jerusalem - a fitting venue for our Deaconess and Curate to spend their holidays! ...!

CHURCH HALL

Many thanks to all those who turned up for the marathon Cheese and Chair Paint-In on 18 June. It was voted a great success, not only because of the progress made with the chair painting but also because it turned out to be a very pleasant social occasion, particularly after the work was done! Do not forget that there is to be a repeat occasion to paint the chairs and enjoy ourselves on Thursday, July 16 - from 7 p.m. onwards. Please come and join us, particularly those who were unable to make it last time. Home-made bread and rolls together with cheese and coffee provided - and bring a bottle of cider if you would like to do so.

JOHN WESTON.

LAURENCE LEFEVRE.

We would like to record that a portable electric organ has been donated to St Michaels Church in memory of Laurence Lefevre, and that Les Doidge has kindly made a special teak seat for the Playing Field Pavillion ~~xxxx~~ also in his memory.

The village collection came to £100 and Sarah Lefevre requested that it should be sent to the Stoke Mandeville Appeal Fund since this is the Year of the Disabled.

ASTOUNDING PREDICTION COMES TRUE! Only days after Madame Zali predicted that she would have a baby daughter Jeanette Emmet gave birth to the very same, a little girl, (on Thursday 2nd July.) to be called Rebecca. Congratulations to Roger and Jeanette.
(PS can she type yet?)

MARY TAVY SCHOOL...

On Friday, June 19th a special 'Space Invaders Party' was held in Brentor Village Hall. It was organised by the Parent Teachers Association for all the children at the school.

The children, many from our village, wore their costumes, made for their award winning float in the Mary Tavy Carnival two weeks previously.

They really were an impressive sight and certainly alarmed the Brentor inhabitants, when they invaded the village centre at 6.30, in a great, glittering procession from the Village Hall.

BRENTOR PLAY GROUP...

A very successful trip to Sparkwell Wild Life Park took place last Tuesday, June 23rd. Six Mums and six children, armed with picnics drove off in two cars from Brentor Memorial that morning and spent a very warm, relaxed day wandering around the park.

They looked at deer, wallabys, many different kinds of birds, wild cats, wolves, raccoons, foxes and many more creatures besides, and for many of the children it was the first time they were able to get so close to such a variety of animals. This is hopefully the first of many future trips to other places of interest.

BRENTOR LADIES GROUP...

We wish to thank all those who supported our June 13th Jumble Sale, especially those who brought contributions to the cake stall.

A total of £32 was raised.

At our June meeting Marie Shepherd was voted in, as our new chair person. Anyone is welcome to join us at our monthly gathering normally last Wednesday of month in the Village Hall. Look out in this paper in future months, for more details of these meetings.
