## W.I. NEWS

There was a change of venue for the W.I.'s annual Garden Meeting this year. Mrs. Betsy Gallup, herself a member of the Institute for many years when living at Langstone, invited members and their friends to her Weir Quay home. After a somewhat watery start to the day the afternoon turned out to be warm and sunny for the meeting in an idyllic setting beside the River Tamar. After Mrs. Gallup had told members something of life at Cleave Farm and what they have been doing there over the last five years, there was a tour of the garden to admire some 200 rose bushes, a short stroll along the banks of the Tamar and a visit to their vineyard at the back of the house, where Mr. Gallup was busily tending the vines. Members were then shown the winery, which must surely be the envy of every home made wine enthusiast! After tea, taken sitting in the garden, to the accompaniment of the gentle clink of the rigging on the boats at the neighbouring Yacht Club and the mewling of seagulls over head, the afternoon came to an end with members reluctant to tear themselves away from such a perfect setting. The sincere thanks of the Institute go to Mrs. Gallup for providing them with such an enjoyable afternoon.

The September meeting on Thursday 6th is an afternoon trip to Saltram House.

## CHURCH NEWS

### Harvest Festivals

As the next copy of the Brentor News may not be circulated in time, here is advance notice of the arrangements for this year's Harvest Festivals at the two churches.

There will be the usual Harvest Evensong Service at St Michael's Church on the Tor at 6 p.m. on Sunday 30th September; this will be the last service on the Tor for this summer.

The arrangements at Christ Church will be different this year from previous years. The Harvest Thanksgiving Service will be held at 7 p.m. on Thursday 4th October and this will be followed by the usual Harvest Supper in the Church Hall. This service will not be in the form of Evensong as in previous years but will be a less formal service of praise and thanksgiving with harvest hymns, readings and an address. It is especially hoped that it will be the kind of church service which, if they are able, families will like to attend before enjoying the social evening which follows.

There will be the customary auction of produce after supper and the proceeds of the evening will go to a very worthy cause - the Save the Children Fund.

Please make a note of the date, Thursday 4th October, in your diary now and come along to celebrate 'Harvest Home!'

St Michael's Church will be decorated for the Harvest Festival there on Saturday 29th September and there will be a service of Holy Communion (Prayer Book) that evening at 6.30 p.m. to celebrate the Patronal Festival of St Michael and All Angels.

Gifts of produce etc both for St Michael's and for the later mid-week decoration of Christ Church will be very welcome.

### SUNDAY SCHOOL

Sunday School re-opens on Sunday 16 September at 9.45 a.m. in the Church Hall and new members are very welcome.

Brentor Sunday School children and their parents spent a very enjoyable day at Morwellham on 15 July. We were particularly fortunate to have good weather after the rain of the previous week. For anyone who has not been to Morwellham recently we can certainly recommend it for a family day out. There is plenty to do for all ages. During the summer term the children have been learning about a project to provide meals for children in the Third World. The children have collected enough money to provide 20 meals, so well done Brentor S.S.

### BRENTOR HORTICULTURAL SHOW - SATURDAY 8th SEPTEMBER AT 3 p.m. in the CHURCH HALL.

There will be a Bring and Buy and Raffle, teas etc. Schedules are available from Jennifer Venning and entries should be sent in as soon as possible.

Exhibits will be received at the Church Hall between 9 a.m. and 10.30 a.m. on the morning of the Show.

Awards this year include the Rose Bowl presented by Brentor W.I. This will go to the Brentor resident with the best exhibit in the Show. Proceeds from the afternoon will go to the upkeep of the Church Hall.

Please support your own local show with exhibits and with your attendance! Make it an even greater success than in previous years.
