PARISH COUNCIL NEWS

REFUSE COLLECTION..... As a result of Parish Council communications with the West Devon Borough Council, about the lack of refuse collection on bank holidays, and an article on this subject in the Tavistock Times, Mr. Goffey from the Borough Council has said he would be very pleased to come and explain the situation to our Councillors. It is hoped that he might be able to attend the next Parish Council meeting in July.

COMMEMORATIVE MUGS..... A letter was read out from Mrs. Carol Haythorne-
thwaite, Chairman of Mary Tavy County Primary School Parent Teachers
association. It asked the councillors if they would re-consider their
decision not to contribute Parish Council money towards the cost of
commemorative mugs for Brentor children at Mary Tavy School.

PARKING The dangerous parking still continuing down the side of the road by John Allen's Forge and by the Methodist Church was discussed again. Sergeant Tillyer mentioned that there might be a possibility of yellow lines along this stretch of road.

THE GERRY SEAT The policy, held by Brentor Parish Council with the Cornhill Insurance Company, to cover council property in the Village, unfortunately has no material damage section. The Company can therefore not assist with the repair of the cracked, Gerry Seat, as the council had hoped.

BRENTOR W.I.

Another year gone by and time once again to discuss the resolutions on which all W.I. delegates will be voting at the A.G.M. in the Royal Albert Hall early in June. This year these resolutions cover such topics as Education for Dyslexic children, Penalties for Child Abuse and AIDS, as well as the rules and constitution of the W.I. and the reaffirmation of past mandates. The President extended a warm welcome to the V.C.O. Mrs. Maytum who gave members a very clear and detailed explanation of the resolutions before they finally decided how they wanted their delegate, Mrs. Sibley, to vote on their behalf. A well earned vote of thanks was proposed to Mrs. Maytum by Mrs. Bodman.

Monthly Institute business included a comprehensive report on the Spring Council Meeting from Mrs. Dunkley. Arrangements were made for the June outing members opting to visit Sibleyback Lake (let's hope the "Clerk of the Weather") is in benevolent mood that day.)

A letter to Sir Peter Mills supporting his suggestion for a Tavistock by-pass rather than the Council's plans was circulated for members signatures.

The flower of the month was won by Mrs. Brew. 2nd Mrs. Pritchard, 3rd Miss Everall.

CHURCH NEWS

Confirmation Service

There is to be a Confirmation Service with Holy Communion at Lydford Parish Church on Tuesday 10th June at 7.30 p.m. This will be conducted by the new Diocesan Bishop of Exeter and will afford an opportunity for seeing him for the first time within the parishes of the team - which of course includes the parish of Brent Tor. Incidentally this is not a typing error for this is how the name of the ecclesiastical parish is still spelt.

It is hoped that there will be a contingent of people at this service from Brentor although there are no candidates this year. So why not come along to meet the Bishop!

CHURCH HALL

It should not be long before the Bridge Agency begin work on the Hall so there is an urgent need of additional funds for the materials needed, as mentioned in last month's Brentor News.

Some of the organisations which use the Hall regularly are already busy fund raising and it is hoped that more will follow. In the meantime do not forget to reserve Saturday 12th July for the grand fair and barbecue. Why not have your own stall?

It is hoped to make this a real fun occasion to mark the end of the school summer term.

Jennifer Venning's Coffee Morning with hymn requests in the Church on Ascension Day raised £32 towards the Hall funds. Congratulations to Jennifer and her helpers for an enjoyable and rewarding occasion!

Many thanks to all those who contributed to the bring and buy etc. and came and had the tea.

SPONSORED WALK

The sponsored walk in memory of Jean Whitfield and for leukemia research was a very happy occasion. The weather was just right, cool but dry and the walk was really beautiful. The hedgerows at the moment ^{are} abundant with wild flowers and the woods with bluebells, and ^{the} whole walk was lined with them all. It was definitely a 10 mile walk! but it was well worth it. So far, just over £100 has been raised, thanks to all those who sponsored the walkers. Thanks too, to Dennis and Ann Young who did all the organising and made it such a successful day. Ann's tea and biscuits waiting at the end of the walk in the Village Hall tasted wonderful!

The European Parliament has recently passed a law forbidding the mutilation of animals, which includes docking. There has been a violent response from many breeders in Britain, declaring their rights to continue docking, demanding freedom of choice.

I asked the dogs what they would do to men.

O take their noses, said the Clumber,
They're useless, can't track the strongest scent,
Cut them off, to spite their faces,
Open it up to a bigger vent.

The de-barked Basset found speaking harder,
A snip and a cut in a vital place -
(He waved his paws to show the process)
Would quickly reduce the human race.

The Boxer spoke with heavy gloom,
They cut my ears, took all my tail,
Let's Spock theirs, stretch them, cut them out
They'll look much fiercer in a Person Sale.

The Deerhound dreamed from his ancient past
when men cut out his middle toe,
They don't use their toes much, he decided
Could easily spare a few, I know.

The Bobtail scratched his matted rear,
They took the lot, I'm often sore,
I've seen bits of men they rarely use
Could easily spare a length...or more.

The Newfy lifted his heavy head
'You sound just like men' he raised his voice.
'Don't copy their ways, they've plans in hand
To melt each other, destroy all land;
They call it freedom of choice.'
