GUIDED WALK FOR BRENTOR NEWS

We are organising a guided walk on Sunday July 26th to raise funds for the Brenton News it just years year lie one sk bus dimently a leader that the lead of

The walk will start from the Village Hall at 2.00 pm and will follow a route via the Burnville Farm footpath to Lydford Station where we will have a picnic lunch (bring your own food and drink!). We will then return to the Village hall via Blackdown. We will discuss the history, geology and wild life of the area en route and provide quiz sheets to keep you so busy that you won't notice the weather.

The fee for the walk will be a minimum of 50p per adult and 25p for children - you can give more if you want. All proceeds will go towards the cost of the Brentor News. Further information can be obtained from either

Letters To The Brentor News

XXXXXXXXXX

Since our postbag is unsually full this month it seems a good idea to remind readers of our policy towards readers letters.

We welcome correspondance from anybody living in Brentor and all letters will be published subject only to minor editing where necessary for clarity or to avoid personal abuse, however un-intentional. Since items appearing on the letters page represent the personal views of the authors we cannot accept letters that are either anonymous or written under a false name. M. Whitfield

Running for Leukemia

With the Plymouth & District Leukemia Fund close to the hearts of Brentorians, readers may be interested to learn that Andrew Pritchard successfully completed the Plymouth Marathon at the end of May, raising just over £125 for this fund. Although Andrew did not put up a spectacular time (4 hours 36 mins) he had done little serious training for this event apart from running the previous week in the Alder Sports Half Marathon as a 'warm up'. Later in the summer Andrew hopes to take part in the Dartmoor Marathon for the second year.

M. Pritchard

For Just A Little Progress

I was very saddened to see so many people objecting to the village having street lighting which I must say would not be costing the village any money at this time. Were the true objections the possibility of increasing vandalism, inadequate lights in one area, one or two in the wrong place, spoiling the village etc. etc., or was it that some people do not want the street lights outside their house? If this is the case, what a selfish attitude to take over the wellbeing of the village. I would be very willing to have two lights outside my house for the safety alone. CLOTHES SALE

I must point out to the village that is in the late dark nights a child or adult is run down or injured because of the lack of lighting I will know who to point to and say I told you so the color of the David J. Whitcomb, Homer Park, Brentor.

The Sale of Brentor Newtake

THE SECOND SECTION SECTION

I wish to make a personal footnote to the discussions which have arisen about the proposed sale. The Bickell family have always been faithful friends to our Church, supporting it both financially and in the best of practical ways. We could not hope to get better co-operation and friendship from the owner of the land round St. Michael's Church, and we are all very sorry that the land has to be sold. It is being sold as what it is, agricultural land. Any anxieties concerning fears of unsightly development should be expressed to the planning authorities, without whose permission no changes can be made. tion and various, viewers and sound of the second of the s

The fee for the walk will be a manimum of 50p per adult and 25p for children - you can give more if you want. All proceeds will go towards the opst of the Brentor News. Further information can be attained from alther of us.

CHURCH NEWS

We look forward to welcoming a party of young people from the Pathfinder Group from Okehampton to our village. They will be coming here on Saturday 18th July and staying for a week, camping in the field opposite the Church Hall and using the facilities in the Hall itself. It is hoped that there will be opportunities for our own young people to join in the Pathfinders' activities

"duld nwest compil

during their stay in Brentor.

It is hoped that the weather will be kind and that our young visitors will really enjoy their stay here wigh us. Please do your best to make them really welcome.

think your dog may be one of those responsible, it would St Michael's Church Everyone was a little worried when they heard that Mr Brien Bickell intended to sell the land around our parish church. This was mainly because under his ownership the Tor landscape had retained its age old natural charm and there had been an excellent relationship between the Bickell family and these involved in maintaining the church as a place of worship and a venue for so many visitors who enjoy its peace and its natural beauty.
We can only hope that this easy relationship will be maintained after the land changes hands and that the new owners, whoever they may be will feel the same senze of responsibility towards the site and the work of the Church on the Tor.

End-of-Term Barbecue of page 1 (orders on boxog 25 list spally of We are all looking forward to this annual village event which will take place on the evening of Friday 17th July. As usual it will centre round the Church Hall and the small field opposite. Hot tasty bangers etc and soft drinks will be on sale; there will be the usual raffle and sideshows plus, given good weather a real romp in the field for the children. The aim is not to make a lot of money but to organise a real family social eyent for the village and those who live around - so please do support it. Any surplus of receipts over expenditure will go to support the Church Hall fund. Incidentally the Church Hall has maintained itself on its own rentals and fund raising events for the past 8 years, which says a good deal for the support given to it from families in the Parish. If you can spare something for a raffle prize or a prize for a side-show on 17th July, the Church Hall Committee will be very gfateful. The fun commences at 5.30 p.m. and will continue until the children are tired out!!

Wednesday Land July Summer Special Stup and Globbas Sale

Home Grown Glut

If you have too much home-grown glut this summer - vegetables, fruit, etc., why not sell it through the Wednesday morning community shop? 10% of the takings go to the Community Centre - the rest is yours. Just bring produce along to the Church hall, already priced up, on any shop morning.

Do You Know Where Your Dog Is?

If you walk around the village you'll almost certainly notice that there has been an unfortunate increase in unhygienic and unsightly dog's mess on our roads. It's more than just a niusance, it is a health hazard. Please - if you think your dog may be one of those responsible, it would be appreciated if you could help put a stop to this problem.

Parking alongside the Methodist Chapel and John Allen's Smithy

It's been said over and over again, but PLEASE - parking on this piece of road is very dangerous because of the blind corner between here and the War Wemorial. The Community Policewoman is aware of the problem and is looking out for culprits!

W.I. News and Information

The village hall was packed for the Brentor W.I.'s June meeting when the President was delighted to welcome Mr. Michael Newman, resplendent with red carnation in his buttonhole, to their Antiques Evening. A warm welcome was also extended to the many visitors.

After speaking about antiques generally Mr. Newman, who is known to most for his radio and TV programmes, then went on to talk individually about the large variety of items which members of the audience had brought along. These ranged from the unusual (the asparagus holders which their owner had been trying for years to identify) to the more commonplace; from the frankly hideous Satsumaware (what a relief the owner didn't have a pair of those vases!) to the beautifully crafted hunter watch. So vast was the array of objects that Mr. Newman was unable to mention everything in the time available. However, over a cup of tea and home-made biscuits there was still a chance to obtain Mr. Newman's expert opinion and possible value of one's treasured possessions before a most enjoyable and enlightening evening came to an end.

Thanks should go to all those members who provided raffle prizes, made biscuits and worked so hard on the evening to contribute to the success of the occasion.

The flower of the month was won by Mrs. Pritchard, and Mrs. Downing and 3rd Mrs. Venning.

More recently three members attended a meeting at Mary Tavy - Let's Talk - We'll Listen - organised by the County Federation. This dealt mainly with programme planning and proved to be very helpful for institute Programme Secretaries as well as of interest to other members.

Members are reminded that the July meeting will be a garden meeting at Cleave Farm, Weir Quay.
